DETAILED ACTION

Allowable

1. **Claims 1-6, 8 and 9** are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding **claims 1 and 5**, the prior art of record fails to disclose or specifically suggest a request from the voice mail server to the greeting message server for a greeting message associated with a user identifier. The greeting message is sent to the voicemail server, which in turn sends the greeting message to the caller.

It is not obvious to add a greeting message server to the system in order to retrieve the greeting message for the voicemail server to be sent to the caller.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
